

SVB73

Sand Volleyball Official's Stand with Padding

NOTICE:

These instructions supplement the instructions found in the hardware box included with your standards. This manual is intended to outline specific instructions relative to the use, assembly, and installation of SVB73 Official's Stand.

PARTS LIST

Item	Qty	Description	Item	Qty	Description
A	1	Official's Stand	B	1	Safety Padding Set

- ◆ Read all instructions before proceeding.
- ◆ Inspect all contents prior to installation. Report any missing or damaged parts immediately.

1. Set up volleyball posts, net and padding completely.
2. Install *Safety Padding Set* (B) on *Officials Stand* (A) as shown. See Figure 1.
3. Pull release pin on clamp arm and rotate from storage position to position shown in figure 1 and 2. Make sure the release pin is locked into position, the clamp arm is designed to float to allow for possible flex in the standards.
4. Turn clamp knob counter clockwise until the opening allows you to attach *Official's Stand* (A) to the top of the non-winch end volleyball post. Make sure the *Officials Stand* (A) is level. Turn the clamp knob hand tight clockwise until the *Officials Stand* (A) is securely clamped to the volleyball post.
