PRODUCT SPECIFICATION

SVB1000 (SVB1002 & SVB100) CENTERLINE® ELITE SAND VOLLEYBALL SYSTEM

REVISED 9/05/18

SVB1000

Centerline Sand Volleyball posts have all the great features that have made Centerline Elite a standard in the industry plus special features for outdoor and indoor sand court use including stainless steel hardware and other weather and sand proofing features. As an added bonus, the same 3" Centerline posts can be used indoors on your hardwood floor court and outdoors without modifications for maximum equipment utilization. Complete system includes special Centerline 3" sand aluminum posts, lifetime warranty net tensioning winch, competition TwistLock stainless steel sockets, player safety padding (see color options), competition Kevlar top rope net (substitute SVB1250K for VB1250K for installation at official 8.5M 2 on 2 sand volleyball play) antenna, net and antennae storage bag, net rope cover and net height indicator. You'll also get FREE post pad lettering on all complete system orders.

The net (SVB1250K) shall be one meter high, be constructed of black polypropylene 3 1/2 mm knotless woven webbing, have a Kevlar top rope and polypropylene bottom rope. The top rope shall rest in the groove of a dome shaped aluminum rope guide on the top of each standard. The top, bottom and sides of the net shall be finished with white-coated tarpaulin fabric with double stitched hemmed edges. The top of the net shall be tensioned by means of an aluminum machined winch with a 26:1 ratio worm gear mounted on one end. All winch shafts shall rotate in sealed ball bearings. Winch shall be designed to wind a 2" wide nylon webbing strap that is attached to the net top rope and have a non removable folding handle. Net bottom rope shall be tensioned by means of a ratcheting style tensioner. Each net side tape with internal fiberglass dowels shall be tensioned by means of no less than two ratchet style rope tensioners.

Net height shall be infinitely variable from a minimum of 72" to 96" with a single threaded release knob per standard and have the capability of being locked into place at men's and women's height with a detent locking pin. Height setting shall be clearly identified on the inner telescoping tube by machined markings.

Order SVB73 Sand Volleyball Officials Stand and SVB28 Premium Sand Boundary Kit separately. Systems meet all applicable high school and college rules. Approx. shipping weight: 300#; Truck

Need two courts but want to save money?...SVB1002, Centerline Side-by-Side Double Court Sand Volleyball Systems are the answer. Three posts, two net tensioning winches, three TwistLock sand ground sockets, two nets, two antenna sets and post padding are all included in this complete package. As an added bonus, free pad lettering on the outside end posts, free net and antennae storage bag and free net chain net height indicator makes this a truly complete package. Approx. shipping weight: 425#; Truck

Need even more side-by-side courts?...Purchase SVB100, Centerline Sand Volleyball Court Adder, plus additional SVB1250K nets, VB510P post padding, VB13 antennae/boundary markers and SVB23 sand ground sockets to string as many courts together as desired. Each SVB100 includes one Centerline Elite Sand Volleyball post and lifetime warranty net tensioning winch. Order SVB10 for replacement pair of Centerline sand volleyball posts with winch only. Approx. shipping weight: 50#/each; Truck

Installation to be completed in accordance to manufacturer's instructions. Do not scale drawings.
