Worksheet and artwork must be included with order. Acceptable file types are: Adobe Illustrator (.AI) and .EPS. When generated from a design program (not a scan or image) a PDF may also be acceptable. **Standard image files such as JPEG, TIFF, GIF and PNG are not acceptable.** For additional information, see Artwork Guidelines. Orders without proper documentation and art files will be put on hold until completed.

After submitting worksheet and artwork, Porter will supply a proof that needs your approval. By providing a sketch in the box below, the most accurate and desirable design can be created.

Please note any special spacing requests or specific colors.
All sleeves are printed on white vinyl (per NFHS Rules).

Example

Artwork files sent in with sketch. Porter will appropriately space logos.
