COACHES STAND INST8570

Coaches Stand PLUS

Part No. 8570SP

Coaches Stand

Part No. 8571SP

SAFETY INSTRUCTIONS

- Read all instructions before use to avoid injury.
- Improper use of product can result in serious injury.
- Read all product safety labels.
- Keep this instruction manual for future reference.

WARNING

- **FALL HAZARD!** Watch your step when climbing onto, off of, or using the stand.
- **ALWAYS** release wheels before climbing onto the stand.
- Do not exceed 400lb capacity.
- While it cannot be eliminated, the risk of injuries can be greatly reduced by following proper safety guidelines and providing proper maintenance and safety inspections.

CAUTION

- Use caution when training on the stand. Always know where you are and where the edges are.
- Keep stand free from grease, oil, dirt, mud, and other slippery materials. Clean the top of the stand as needed with a wet cloth, allowing it to fully dry before use.
- Always wear appropriate footwear. Shoes should be clean and have full traction.
- The operation and transport of the stand must be done by authorized adults only. Clear the area when transporting the stand.
- Watch your feet/toes when lowering the step-wheels.
- Climb and descend the stand slowly. Do not jump ON or OFF the stand.
- Only use the stand on a firm level surface.
- Keep your body centered on the stand. Move the stand when needed to avoid over-reach.
- To avoid collision with the stand DO NOT run at, near, or around the stand.
- Stand should be stored on its rubber feet. Do not flip the stand on its side.
- Do not leave stand set up and unattended.
- Upon final assembly, show the individuals who will operate this stand how to properly use the unit and read the warning labels to them explaining the necessity to follow safe operation procedures. These instructions must be given to an official or coach in charge of the facility for future reference.

NOTICE

- Inspect the stand before each use. Never climb onto a damaged, bent, or broken stand. All parts must be in good working order.

 **WARNING:** Cancer and Reproductive Harm –
For more information go to www.p65warnings.ca.gov

 **WARNING**

FALL HAZARD!

WATCH YOUR STEP.

TOP SHEET

FRME00522

FRME00523

GRAPHIC SIDE PANELS

FRME00524SP

FRME00525SP

2. Stand up Side Legs with "Porter" logo facing out.

Insert Graphic Side Panels into the slot cutout in the Legs. Make sure graphics face out.

Remove the screws and washers and insert hex rods into cutouts in the Legs (Model No. 8570SP only)

3. Remove the screws and washers from the Legs.

Using two people, carefully place the top sheet on top of the Legs.

Attach hardware but
do not tighten
at this time

4. Tighten all hardware in the following order:

- #1 - Hex Rods
- #2 - Graphic Panels
- #3 - Top Sheet

#1
QTY four (4) screws

#2
QTY eight (8) screws

#3
QTY four (4) screws

5. To move the Coaches Stand, step down on all four (4) Wheel Pedals.

This will raise the stand up onto the wheels for transport.

Once in position, flip the Wheel Pedals back up to lower the Stand.
