## PORTABLE VOLLEYBALL TRAINING PLATFORM

### SPECIFICATIONS

#### PORTER No. 8570SP COACHES STAND PLUS (EACH)

Coaches Stand shall be designed to elevate a coach above the net for volleyball training. Platform size shall be 44" x 36" x 24" tall.

Stand shall consist of one (1) top sheet, two (2) legs, and two (2) graphic panels. Top sheet shall be 1/8" bent steel with anti-slip perimeter tape and textured paint. Legs shall be 3" x 3" laser cut steel tubing powder coated black. Graphic panels shall be white PVC custom printed per order. Entire assembly to bolt together for maximum strength and stability, not commonly found on traditional wood-type boxes.

Transport shall be accomplished with pre-attached step casters, allowing the stand to move quickly to any location on the court - removing the need for any extra carrying straps.

#### PORTER No. 8571SP COACHES STAND (EACH)

Same specification as No. 8570SP above except platform size is 24" x 36" x 19".

Stand can nest inside of No. 8570SP for maximum storage.
