## ASSEMBLY INSTRUCTIONS

- 1- Remove all parts and bags from box.
- 2- Read the owner's entire manual before assembly.
- 3- Some parts may be pre-assembled.

### STEP 1.

Attach wall assembly (4) onto the wall with 4 tapping screws (7) first. Then position the bottom edge of lower mounting bracket (8) 51-1/2" from floor as shown in **FIGURE A**.

### STEP 2.

Remove lock knob (5) and then insert the bottom support (3) to connect to wall assembly (4). Re-insert knob (5) to secure. *Adjust the height and then tighten this knob to secure as shown in Overview Chart.*

### STEP 3.

Insert the top support (2) into the bottom support (3) insert lock Knob (5) to secure. *Adjust the height and then tighten this knob to secure as shown in Overview Chart.*

### STEP 4.

Insert vein support (1) into the top support (2) with two screws (6).

### STEP 5.

Refer to Wall Mounted Vertical Challenger Height to place in desired position.
