

ASSEMBLY INSTRUCTIONS FOR 2B75 POP-UP GOAL

1. Unpack all parts and check for damage that may have occurred during shipping. If damage has occurred, notify Kwik Goal immediately. Lay out all parts. Remove all cardboard and packaging immediately. Wet or damp packaging may damage contents.

SETUP

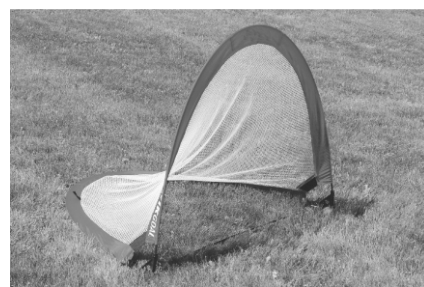

STEP #1

Remove both fasteners at the corners. Hold corners as goal expands.

STEP #2

Ensure that anchor pegs are attached at corners and back.

STEP #3

Ready to play.

TAKE DOWN

STEP #1

Take hold of corners. Begin to squeeze together.

STEP #2

While you squeeze, twist the goal into a figure 8.

STEP #3

Fold in half and secure with fasteners.
