Instructions

The Champion Sports RHINO Pro Max Port-A-Net is an 18'W regulation size portable net system that can be set up wherever and whenever you need it.

1. Assemble the tension bar pieces in order from ❶ through ❸ to build one side of the bottom support bar. Repeat to build the other side of the bottom support bar.
2. Connect parts ❹ through ❺ in order to build the center of the bottom support bar.
3. Connect parts ❷ and ❸ to the side configurations in step 1.
4. Slide the net sleeves onto the posts.
