- 2 straight oval pipes with end caps ②
- 1 PickleNet Mini net
- 1 carry case with compartment

OnCourt OffCourt specializes in the design and manufacture of private label pickleball net systems.

PICKLENET Mini

EASY TO ASSEMBLE

1. Assemble the horizontal poles first. Use the full net image as a reference.
2. Place 2 end bases approximately 10 feet apart.
3. Insert each bent pole and then connect 1 straight pole (with no end caps) on each side to center base.
4. Insert one vertical net post pole that have end caps into each end base. The frame is now completely assembled.
5. Slide net sleeves over each vertical net post.
6. Use adjustable net straps to create straight net appearance as shown in photo. To accomplish this, loop black adjustment straps through "D" ring and then back around pole to secure with Velcro at desired tension.
