Stack Master Double Wall Rack features a heavy-duty steel ball rack which is permanently mounted to the gymnasium wall. Rack includes a lockable top and bottom bar (lock not included). The double wall rack measures 37"W x 66"H x 12"D and weighs approximately 50 lbs. Rack is supplied with a durable black powder coat finish.

Rack should be mounted in the corner or in a nearby closet to reduce the risk of player injury. Do not mount the unit in an area of heavy competitive play or injury may occur.
