

REGISTRATION REQUIRED: To be eligible for this Peace of Mind policy, you must register your Helmet within thirty (30) days of purchase at www.ripit.com/peace-of-mind

GENERAL DISCLAIMER: No helmet system can prevent concussions or eliminate the risk of serious head or neck injuries while playing baseball or softball.

The RIP-IT Peace of Mind Policy should not be interpreted to mean that RIP-IT helmets provide increased safety as compared to other helmet products that meet the NOCSAE performance standard on the market, or that the likelihood of serious brain and/or neck injuries including paralysis or death is reduced compared to other helmet products that meet the NOCSAE performance standard by using this helmet. The Peace of Mind Policy should be interpreted to provide financial peace of mind only.

No helmet system can protect you from serious brain and/or neck injuries including paralysis or death. Scientists have not reached an agreement on how the results of impact absorption tests relate to concussions. No conclusions about a reduction of risk or severity of concussive injury should be drawn from impact absorption tests. To avoid these risks, do not engage in the sport of baseball or softball.

OUR PEACE OF MIND POLICY: RIP-IT Sports ("RIP-IT") Peace of Mind Policy is intended to provide financial peace of mind when a RIP-IT Helmet is purchased and registered.
