

HAND SANITIZER

RECOMMENDED USE:

Hand sanitizer to help reduce bacteria that potentially can cause disease. For use when soap and water are not available.

Do not use:

- * In children less than 2 months of age.
- * On open skin wounds.

DISPOSAL:

Use up or give away excess product. Do not reuse empty container. Rinse and place in trash or recycling receptacle.

STORAGE:

- * Store between 15 -30C (59-86F).
- * Avoid freezing and excessive heat above 40C (104F).

APPLICATION METHODS:

- * Place enough product on hands to cover all surfaces. Rub hands together until dry.
- * Supervise children under 6 years of age when using this product to avoid swallowing.

CAUTION:

- * For external use only. Flammable. Keep away from heater flame.
- * Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.
- * When using this product keep out of eyes, ears, and mouth.
- * In case of contact with eyes, rinse eyes thoroughly with water.
- * Keep out of reach of children.
- * If swallowed, get medical help or contact a Poison Control Center right away.

Inactive ingredients:

- * Glycerin, hydrogen peroxide, purified water USP.
